The following security procedures will apply during the examination:

- Candidates may take only approved items into the examination room.
- All personal belongings of candidates, with the exception of close-fitting jackets or sweatshirts, should be placed in the secure storage provided at each site prior to entering the examination room. Personal belongings **include, but are not limited to**, the following items:
  - **Electronic devices of any type**, including cellular / mobile phones, recording devices, electronic watches, cameras, pagers, laptop computers, tablet computers (e.g., iPads), music players (e.g., iPods), smart watches, radios, or electronic games.
  - **Bulky or loose clothing or coats** that could be used to conceal recording devices or notes, including coats, shawls, hooded clothing, heavy jackets, or overcoats.
  - **Hats or headgear not worn for religious reasons** or as religious apparel, including hats, baseball caps, or visors.
  - **Other personal items**, including purses, notebooks, reference or reading material, briefcases, backpacks, wallets, pens, pencils, other writing devices, food, drinks, and good luck items.
- Person(s) accompanying an examination candidate may not wait in the examination center, inside the building or on the building's property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors.
- No smoking, eating, or drinking is allowed in the examination center.

- During the check in process, all candidates will be asked if they possess any prohibited items. Candidates may also be asked to empty their pockets and turn them out for the proctor to ensure they are empty. The proctor may also ask candidates to lift up the ends of their sleeves and the bottoms of their pant legs to ensure that notes or recording devices are not being hidden there.
- Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be used to harbor a recording device. Proctors will ask to inspect any such items in candidates' pockets.
- If prohibited items are found during check-in, candidates shall put them in the provided secure storage or return these items to their vehicle. PSI will not be responsible for the security of any personal belongings or prohibited items.
- Any candidate possessing prohibited items in the examination room shall immediately have his or her test results invalidated, and PSI shall notify the examination sponsor of the occurrence.
- Any candidate seen giving or receiving assistance on an examination, found with unauthorized materials, or who violates any security regulations will be asked to surrender all examination materials and to leave the examination center. All such instances will be reported to the examination sponsor.
- Copying or communicating examination content is violation of a candidate's contract with PSI, and federal and state law. Either may result in the disqualification of examination results and may lead to legal action.
- Once candidates have been seated and the examination begins, they may leave the examination room only to use the restroom, and only after obtaining permission from the proctor. Candidate will not receive extra time to complete the examination.

## IMPORTANT NOTICE FOR ALL CANDIDATES

Due to many complaints from the building's tenants, the use of aerosol sprays of any kind (i.e. hairspray, aerosol spray disinfectant) is **Strictly Prohibited** anywhere within the properties which house the PSI test centers. If it is discovered or reported that you or anyone you are associated with, are using or have used an aerosol spray (i.e. hairspray, aerosol spray disinfectant) within the property prior to or during the practical exam, you will not be allowed to test and will forfeit your testing fees.

Also of note; arriving hours before your exam start time is **NOT ACCEPTABLE**. Please plan to arrive 30 minutes before the start-time of your exam. This will provide plenty of time for check-in. If you arrive more than 30 minutes prior to the testing start-time, you will not be allowed to wait in the test center, inside the building or on the building's property. Additionally, person(s) accompanying you may not wait in the test center, inside the building or on the building's property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors. PSI understands that test Candidates are often comforted by having guests accompany them to their exams. It may also be necessary for a guest to drive the Candidate to the test center; however, incidents from previous guests have prompted warnings from Property Management. For this reason, PSI has adopted this policy.

## EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (800) 733-9267. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You may also check our website at [www.psiexams.com](http://www.psiexams.com).

## **TAKING THE WRITTEN EXAMINATION BY COMPUTER**

The examination will be administered via computer. You will be using a mouse and computer keyboard.

### IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

### TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

### TEST QUESTION SCREEN

The “function bar” at the top of the test question provides mouse-click access to the features available while taking the examination.

The screenshot shows the PSI examination interface. At the top, there is a navigation bar with icons for Mark, Comments, Goto, Help, and End. Below this is a status bar showing: Question: 3 of 40, Answered: 2, Unanswered: 1, Marked: 0, View: All, Time Left(Min): 359. The main question area displays: 3. What do the stars on the United States of America's flag represent? Below the question, it says "(Choose from the following options)" and lists four radio button options: 1. Presidents, 2. Colonies, 3. States, and 4. Wars. At the bottom of the question area, there are two buttons: << Back and Next >>.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

**IMPORTANT:** After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

### EXAMINATION REVIEW

The Georgia Board of Cosmetology is utilizing the National Interstate Council of State Boards of Cosmetology (NIC) exams. The NIC conducts ongoing analysis and review of their examinations to ensure the examinations accurately measure minimal competency in the required knowledge area.

### SCORE REPORTS

You will receive the score report immediately following the completion of the written and practical examinations.

The score on the written examinations are reported as a scaled score, which is a score based on the number of questions you answered correctly that has been converted to a standardized number. The part scores cannot be transferred to a percentage, nor added for overall performance. Each individual part is weighted as to the importance of competence and public protection for entry-level candidates. These weightings then contribute to the total number of questions that must be answered correctly.

You may request a written or practical score report after your examination by emailing [scorereport@psionline.com](mailto:scorereport@psionline.com) or by calling 800-733-9267.

### APPLICATION FOR LICENSURE

Once you have taken and passed both the Written and Practical examinations, you may apply online by going to the following link: <https://secure.sos.state.ga.us/mylicense/>. Applying online is the most efficient way to have your application processed.

On this site, you may submit your application and pay your application fee using a Visa, Mastercard, American Express, or debit card. Application fees are non-refundable.

If you cannot apply online, you may download a paper application from the website at: <http://sos.ga.gov/index.php/licensing/plb/16> and submit along with your non-refundable application fee to:

- Candidates must follow all appropriate public protection and infection control procedures during all phases of the practical examination that will ensure the health, safety, and welfare of the public
- Talking with other candidates or the examiners during the examination is strictly prohibited. Doing so will result in your dismissal from the examination and a report of your actions to the proper authorities. Your examiner has been instructed not to answer any questions concerning your examination. This ensures equal opportunity for all candidates and standardization in testing for the National Practical Examination. If you have an emergency situation please ask to speak with the examination coordinator.

### TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.
